

# The Birmingham Repertory Theatre

## Setting the scene for great events

The REP has a wide range of spaces for conference and event planners to host their events in the heart of Birmingham. Within walking distance of Birmingham New Street, Moor Street and Snow Hill train stations and easily accessible from the M5 and M6 with nearby parking.

## Born to perform

The REP is renowned for its year round programme of theatrical events, however, in its recent refurbishment the architects created versatile spaces for conferences, exhibitions, client entertainment, meetings and banqueting.

There is a choice of three auditoria and all the technology required to stage your conference plus a dedicated stage team to build your event. From team building to exhibitions, themed dinners to private meetings, our facilities offer a blank canvas upon which you can build your perfect event with support from our expert events team to help you deliver it.

As well as the theatre spaces, there are three further purpose built conference rooms for up to 200 delegates plus two quirky meeting rooms. All have natural daylight, the latest audio visual equipment and stunning views over Centenary Square and the City of Birmingham.
