Did you know that in one year The REP...

- Worked with 443 adult community participants
- Had 70,000 engagements with children and young people
- Funded 2000 tickets for local disadvantaged children and families
- Worked with 46 schools
- Delivered 2639 sessions and spent over 1000 days in schools delivering cultural education
- Toured 11 REP productions in the UK seen by 227,172 people
- Provided training to 50 emerging artists
- Presented 80 different productions across our 3 stages
- Comissioned 6 new plays
- Staged 15 world premières
- Offered 111 accessible performances
- Welcomed 146,258 people to see a show

All figures took place within one calendar year and are taken from either 17-18 or 18-19 financial years.
COMMUNITY ENGAGEMENT

Birmingham Repertory Theatre operates far beyond its stages. Our acclaimed learning and community outreach programme is one of the largest and most diverse of any arts organisation in the country. We engage with young people and adults in the community on projects from drama and writing workshops to large scale productions. We also deliver projects with vulnerable adults such as people living with dementia.
