change everything!

Unique Venues Birmingham

Unique Venues Birmingham (UVB) is a new commercial venture between Birmingham Repertory Theatre and the Library of Birmingham to exploit the excellent conferencing and hospitality opportunities offered within the shared building on Centenary Square in the centre of the city.

The venue you choose for your event is as important as wearing the right pair of shoes - despite all of the time and effort spent on selecting the perfect outfit for a special occasion, all people will remember is the battered old boots you wore!

Your antidote to the mundane

Unique Venues Birmingham provides all of the space and quality you need to complement the moments that matter, but with the added style and uniqueness that make your events memorable.

Our venues complement your personality and give your event the profile it deserves, lifting it from ordinary to extraordinary!

We offer a wide variety of spaces to choose from that are as individual as you are. The UVB portfolio includes auditoria presenting huge dramatic and creative possibilities, a spectacular five-storeys high rotunda, and a beautiful roof terrace with panoramic views across the city.

For slightly more traditional requirements, we present an array of suites and rooms complete with all of the audio-visual technology you could ask for but set within architecturally splendid buildings with impressive views.

Make the decision to transform your future events from mundane to magnificent – choose **Unique Venues Birmingham**.

"The venue was more than we could of hoped for. Erika and Suzanna were my contacts and they did a superb job. The room looked spectacular and was ever thing I was told it would be. All the Partners (staff) were blown away with the theme."

"The REP has helped us make a dream come true. They have been there with us all the time. They have been scrupulous and attentive and have listened to us and complied to all our requests.

They have always been patient with us when at times we were a little bit nervous and challenging. The REP has not only organized our event in an impeccable way while accommodating our guests, many coming from different countries but they also catered for everybody's needs and gave us helpful tips on how to shape our ceremony...

They have also shared in our joy and that is more than we ever expected and for which we'll always be grateful. As a venue, The REP is set in a great central location in Birmingham which makes it very convenient and appealing.

The venue itself creates a dramatic effect while being connected to the Library of Birmingham and is situated front of a lovely square. It has a truly colourful and vibrant atmosphere inside and we really enjoyed having our ceremony and reception there as it offered something unique and different to most other venues!"
