

Guided tours of The REP and The Library Of Birmingham

Fascinated by what goes on behind the scenes? The inspiration for our architecture or access to exclusive areas of The REP or The Library Of Birmingham? Bring your team on a guided tour and see us from a different perspective, learn about our intriguing past and get up close with the people who make our vision a reality.

Traditional team building activities such as outdoor physical challenges can sometimes alienate people within your team.

Our indoor workshops can alleviate these concerns and are not affected by the weather.

Our experienced staff will put everyone at their ease and create a productive training environment.

Each package can include all or a selection of the following:

- Refreshments (tea and cake)
- Lunch
- Tickets for a REP Show
- Backstage tour
- Event space for meetings, seminars, other training or break out sessions etc

Corporate Workshops

Teambuilding and Training

Unique Venues Birmingham

Add Some DRAMA

to your team building and corporate training by choosing one of Unique Venues Birmingham's unforgettable workshops

Our events are an effective and memorable way to achieve your training needs and provide an innovative and fun approach to corporate training.

Using our connection to The REP, which has produced world-class theatre from scratch for over 100 years, we're able to utilise those theatrical skills and experiences to bring you a selection of options for engaging your team in new and interesting ways.

We provide a range of packages from one-off energisers to full day workshops that can be added to existing training or conferences. Each package can be tailored to best suit your requirements.

All of our workshops are delivered by experienced facilitators and will bring you; improved confidence, enhanced presentation skills, improved communication and team building.

Choose from the following options: **Stage Fright, Wounds, Cuts And Bruises, Make A Scene, Pack A Punch** or **Guided Tours**.

Or build your own – our highly creative team would be happy to create a unique package to suit your specific requirements.

Stage Fright

With our presentation skills workshop you can ensure that your staff members know how to make themselves heard!

Standing up on stage in front of an audience is something we know all about. Using techniques used by actors, our presentation skills workshop focuses on breathing and vocal techniques to enhance public speaking.

It will provide participants with a range of skills including enhanced projection, clarity and how to best handle their nerves. Our facilitators create a relaxed environment ensuring that your team members get the most out of the activity.

Wounds, Cuts And Bruises

Discover how to create realistic special effects such as cuts, scars and bruises in this unique, fun and creative workshop.

Your staff will learn a range of specialist techniques and then practice them on each other. This workshop is great at breaking down barriers and enhances a feeling of unity and cooperation within your team.

Other benefits include; stress management, inter-departmental integration and improved communication resulting in increased productivity.

Make A Scene

With the help of our expert facilitators, create a brand new piece of theatre from scratch!

Based around a particular topic or issue, staff will work in groups to devise a scene. They will then perform these scenes for each other.

This workshop is particularly effective at problem solving and can result in innovative solutions through a creative thinking process. It is an accessible and fun activity that can incorporate or enforce a company message or business goal.

Pack A Punch

A chance to cause a real scene.

Create realistic looking fight scenes with the help of our expert stage fight staff. In the session you will learn the basics of stage combat – punches, slaps, hair pulling etc – learning the techniques of how to make it all look real, working together, keeping it safe and making it dramatic!

Opportunity is given to put the techniques into a dramatic context.

This workshop is great fun and will break down barriers and enhance a sense of cooperation amongst your team. Other benefits include; stress management, inter-departmental integration and improved communication resulting in increased productivity.
